

30 MINUTES CAN MAKE A DIFFERENCE FOR A STUDENT

Join the CHES Buddy Program and be a part of a child's life

As a buddy, you will be paired with a student at Cold Harbor Elementary School.

Buddies spend time with their student during lunch or recess once a week.

The buddy program is an excellent opportunity to make a difference in a child's life. Talking together, laughing together and forming a friendly, healthy bond is so important to our kids.
