

## God's People Worship a Golden Calf (Exodus 32)

**"Trust in the Lord with all your heart; do not depend on your own understanding. Seek his will in all you do, and he will show you which path to take."**  
(Proverbs 3:5-6)

### God guides us...even when we go our own way.

When you get a new game, do you like to follow the instructions or figure things out on your own?

If you like just jumping in, you may wonder why they even bother putting instructions in the box. Why give guidance nobody reads?

But if you get in over your head and pushing every button and flipping every switch doesn't help, that's when you discover why the guidance is there.

It's there to help you. To get you on the right path and keep you there.

That's why God guides us, too—even when we don't always pay attention. God wants us on the right path because it leads us to a close friendship with his only Son, Jesus.

So trust the guidance God gives you. It's one way God is letting you know he loves you!
